Applications are invited for Project Associates to work on the sponsored research projects. The details of the project and qualification requirements are listed below:

1. **The Kosi River Alluvial Dynamics and Associated Risks** (sponsored by Indo-French Centre for Advanced Research)
   - **Number of posts:** One.
   - **Qualification and experience:** M.Sc./M.Tech. degree in Geology/Applied Geology; those with some experience in sedimentology and geochemistry will be given preference.
   - **Salary:** Rs 15,000–1500–30,000.

2. **The Structure and Dynamic of Groundwater System in Northwestern India Under Past, Present and Future Climates** (sponsored by NERC, UK and MOES)
   - **Number of posts:** Two.
   - **Qualification and experience:** M.Sc./M.Tech. degree in Geology/Applied Geology; those with some experience in geohydrology will be given preference.
   - **Salary:** Rs 15,000–1500–30,000.

3. **Hydrometeorological Feedback and Changes in Water Storage and Fluxes in Northern Indian Basins** (sponsored by NERC, UK and MOES)
   - **Number of posts:** One.
   - **Qualification and experience:** M.Tech. degree in Civil engineering (Hydraulics and water resources); those with some experience in river hydrology and sediment transport will be given preference.
   - **Salary:** Rs 15,000–1500–30,000.

4. **Fluvial Geomorphology in the Ganga River Basin Management Plan** (Sponsored by MoEF)
   - **Number of posts:** One.
   - **Qualification and experience:** M.Sc./M.Tech. degree in Geology/Applied Geology; those with some experience in geomorphology, remote sensing and GIS will be given preference.
   - **Salary:** Rs 15,000–1500–30,000.

Duration for all the posts is one year (may be extended by another year). The application (mentioning the post and properly signed by the applicant) on a plain paper may be submitted to the undersigned latest by **10 March 2012**. Applications can also be submitted through e-mail.
