Ministry of Education, Science and Technology  
Republic of Korea**

**Indo-Korean Programme of Cooperation  
in Science and Technology**

**Call for Joint Project Proposals  
Call Closing Date: 28 February 2011**

The Indo-Korean Joint Programme of Cooperation in Science and Technology facilitates bilateral cooperation between scientists and researchers from the two countries by way of joint R&D projects and technical missions. The Department of Science and Technology (DST), Ministry of Science and Technology of Government of India, and National Research Foundation of Korea (NRF), Ministry of Education, Science and Technology (MEST), the Republic of Korea (South Korea), are the key agencies dedicated to the implementation of the programme in India and the Republic of Korea. Project proposals can be submitted as per the details hereunder.

**Eligibility**

Programme is open to scientists, engineers, institutions engaged in advanced research in the above referred areas in India and Republic of Korea. Joint project proposal may be submitted parallelly by the Indian researchers to DST and by the Korean partners to NRF in the prescribed format. The project proposals must be submitted to both the sides by **28 February 2011**. Unilaterally submitted projects shall not be considered.

**Application forms and programme details**

Areas of R&D projects and other information along with application forms and guidelines may be downloaded from the [www.stic-dst.org](http://www.stic-dst.org) or [www.dst.gov.in](http://www.dst.gov.in).

The duly completed project proposals should be submitted by the Indian PIs to: **Shri Rajiv Kumar**, Scientist 'D', International Cooperation, Department of Science and Technology, New Mehrauli Road, New Delhi 110 016 (e-mail: rajivarc@nic.in). It should be ensured that the Korean PIs submit their duly completed projects to: **Ms Yun Sook KIM**, Researcher Asia Programmes, National Research Foundation, Seoul (e-mail: kkimys@nrf.re.kr; Tel.: +82-2-3460 5623).
