

Call for Papers
For the Sixth Biennial Conference of
The Indian Society for Ecological Economics (INSEE)
on
'Nature, Economy and Society: Understanding the Linkages'
to be held from 20–22 October 2011
at Centre for Economic and Social Studies (CESS), Hyderabad

The conference shall address a diverse repertoire of issues at the interface of nature, economy and society and explore how to use the understanding for policy formulation. We expect to attract papers, panels and symposia that will focus on the themes and subthemes identified below:

- (a) Ecosystems and Ecosystem Services for Life and Human Well-being.
- (b) Accounting for Nature including Indices, Macro and Micro Approaches.
- (c) Global and Local Impact of Economic Growth, Trade and Globalization on the Environment (at different scales).
- (d) Alternative Methodological Approaches to Nature and Society and Assessing the Role of Knowledge and Power.
- (e) Social Norms, Culture and Human Behaviour in Relation to the Environment.
- (f) Towards Green and Sustainable Socio-economic Systems including Ecological Agriculture, Energy Efficient Industry and Sustainable Urban Habitats.
- (g) Equity and Governance Issues in Relation to the Global, National and Local Commons.

The INSEE invites papers on the above themes for presentation at the conference. Kindly mention the theme within which your paper falls. A 400 word abstract is to be submitted latest by **28 February 2011**. On communication of acceptance of abstract (by **31 March 2011**), the full paper of 12,000 words (maximum) would need to be submitted for refereeing latest by **15 May 2011**. Final acceptance will be communicated by **31 August 2011**. Abstracts and full papers, preferably in soft copy, should be sent to:
