Department of Biotechnology
Ministry of Science and Technology
Government of India

Applications/Nominations are Invited for the Post of

Director
National Centre for Cell Sciences (NCCS), Pune

National Centre for Cell Sciences, Pune, an autonomous institute under the Department of Biotechnology established as National Tissue Culture Facility on 11 March 1986 with a mandate of basic and early transactional research, teaching and training, and as a national repository for cell lines/hybridomas, etc. is looking for an eminent scientist from India or abroad having proven record to scientific contribution in the field of cell biology and animal tissue culture and having outstanding managerial qualities and leadership abilities to take the institution to the next decade as its Director. He/she should be able to strengthen basic research in the areas of cancer biology, cell biology, immunology, genomics and proteomics.

The post is in the scale of Rs 67,000–79,000 (fixed) per month and usual allowances as per the Govt of India rules. The applicants/nominees should be below 55 years of age but for exceptional candidates, age limit can be extended. The appointment will be on contract basis for a period of 5 years which can be extended for further term(s) as per rules of the institute.

Applications/nominations from/of eligible and interested candidates may be sent along with detailed curriculum vitae, publication details and a write up on the candidate’s vision of NCCS for the next ten years to Shri K. M. Kutty, Deputy Secretary, Department of Biotechnology, Block No. 2, CGO Complex, Lodi Road, New Delhi 110 003 by 2 May 2011.

The Department reserves the right to relax any of the requirements prescribed above.
