UGC-NRCBS Summer School on

'Comparative Genomics and Proteomics in Drug Discovery'

30 May–13 June 2011

UGC-Networking Resource Centre in Biological Sciences

School of Biological Sciences

UGC-NRCBS, Madurai Kamaraj University invites applications from research scholars, post-docs, young faculty members and scientists of Indian universities/research institutions for the Summer School on '**Comparative Genomics and Proteomics in Drug Discovery**' to be held from 30 May to 13 June 2011. The summer school will provide hands-on training on various drug discovery modules such as drug target mining, pathogenic island detection, target structure prediction, ligand construction, optimization, molecular dynamics and target-ligand docking. The detailed instruction and application form can be downloaded from the website www.nrcbsmku.org or from www.genomicismku.org. Candidates should submit the filled in application form to **Prof. R. Murugesan**, Convener, UGC-NRCBS Summer School on 'Comparative Genomics and Proteomics in Drug Discovery', School of Biological Sciences, Madurai Kamaraj University, Madurai 625 021 on or before **20 May 2011**. Applications should be forwarded by their research supervisor/Head of the department or Head of the institution. Applications sent via e-mail will be considered. The duly forwarded hard copy should reach **within a week**. The candidates will be selected based on the qualification and research interests. TA/DA will be provided to the selected participants as per the MK University regulations.

UGC-NRCBS Visiting Fellowships

UGC-Networking Resource Centre in Biological Sciences

School of Biological Sciences

UGC-NRCBS, Madurai Kamaraj University invites applications from research scholars, post-docs, young faculty members and scientists of Indian universities/research institutions for the '**UGC-NRCBS Visiting Fellowship**' throughout the year to conduct advanced research in Biological Sciences. The visiting fellowships for a minimum period of one month to a maximum of three months are provided to the selected candidates for furtherance of their research capabilities, for carrying out collaborative research or utilizing facilities available in UGC-NRCBS, Madurai Kamaraj University. The visiting fellowship carries Rs 5000 per month, which can be availed in addition to the scholar's/scientist's own fellowship/salary from their parent institution. The candidate is also eligible for travel allowances as per the MK University regulations. The details of available expertise, infrastructure, instructions and application form can be downloaded from the UGC-NRCBS website www.nrcbsmku.org or from www.genomicismku.org.
