

Institute for Development and Research in Banking Technology

(Established by Reserve Bank of India)

Invitation for Top Talent in Research and Academics for Regular Positions

IDRBT, the premier Institute of Banking Technology, spearheads efforts in providing state-of-the-art technologies for the Banking and Financial Sector. The Institute interfaces Research and Development, Academics, Executive Education and Practice.

Consequent upon the recommendations of an Expert Committee headed by **Dr C. Rangarajan**, Chairman, PM's Economic Advisory Council, IDRBT has initiated ambitious plans to scale up its research and academic activities.

To encourage best practices in Banking Technology, the Institute invites top talent with high passion for Research and Academics for the positions of Professor, Associate Professor and Assistant Professor. Applications are also invited for Adjunct and Visiting Faculty positions. These positions are open on Deputation basis for officers working in Banking Sector too.

IDRBT also invites applications for the IDRBT Post Doctoral Scheme and IDRBT Research Project Scheme.

Candidates are invited to visit www.idrbt.ac.in for details. This is a rolling advertisement and applications received shall be processed from time-to time.

West Bengal State University

Advertisement for Junior Research Fellow (Two Posts)

Applications are invited for the position of two JRFs under supervision of Dr D. P. Mandal and Dr Shamee Bhattacharjee, Assistant Professors, Department of Zoology, West Bengal State University for the following projects:
