Notice

A CSIR-sponsored research associate/senior research fellow has been lying vacant at the National Centre of Experimental Mineralogy and Petrology under the supervision of Prof. Alok K. Gupta. An individual with a background in experimental physics or experimental petrology with a doctorate degree or nearing submission of his thesis may apply. The candidate must have qualified NET. Those interested and satisfy the above criteria must submit their application letter along with the CV within 30 June 2011. Interview will be held in the 20 July 2011. The amount of the fellowship and other benefits is as per the rules of CSIR. The application should be sent in the following address:

Address:
Prof. Alok K. Gupta
National Centre of Experimental Mineralogy and Petrology
University of Allahabad
14, Chatham Lines
Allahabad 211 002 (UP), India
e-mail: alok.krishna.gupta@gmail.com; website: www.ncemp.org

Regional Centre for Biotechnology

(Established by the Dept of Biotechnology, Govt of India under the auspices of UNESCO)

Career Opportunities in Data-Intensive Discovery Research

The Regional Centre for Biotechnology (RCB), a newly created institution in the National Capital Region (NCR) of Delhi, is looking for innovative faculty members working in the domains of data-intensive scientific discovery to develop novel research and teaching programmes in the area of biotech science. The RCB recognizes that the expertise and innovation in the core domains of systems biology, computational biology, bioinformatics and other branches of theoretical biology and analyses of clinical/epidemiological/biodiversity data is critical for the development of novel perspectives in biotechnology, and invites scientists with interdisciplinary profiles of the highest caliber and credibility to participate in this shared adventure to transform the biotech sciences. A description of the RCB and its mandates and projections can be found on the website: http://www.rcb.res.in

Faculty appointments will be offered from entry to program coordinator levels depending on the quantum of experience and the quality of scientific productivity. Interested scientists are invited to send their curriculum vitae containing relevant details, list of publications and the names of three potential referees along with their electronic mail addresses to the Executive Director, Regional Centre for Biotechnology, 180, Udyog Vihar, Phase-I, Gurgaon 122 016, India. An advance electronic copy of the bio-data may be sent to the e-mail address: office@rcb.res.in. Only short-listed candidates will be contacted for further discussions.
