Applications on plain paper (or e-mail) are invited from highly motivated candidates for the following position in the DST sponsored project ‘Development of Recyclable Nano-Catalyst for the Synthesis of Bioactive Compounds’.

Name of the position : Junior Research Fellow (JRF)
Number of positions : One (1)
Essential qualification : M.Sc. with a First Class or high Second Class (or equivalent) in any branch of Chemical Sciences
Required experience : (i) NET or GATE qualified
(ii) Good working knowledge of instruments like HPLC, UV-Visible, Fluorescence Spectrometer, Mass, NMR, etc.
(iii) Good knowledge of working on computers.
Emoluments : Rs 16,000 per month + HRA (as permissible by DST)

#No TA, DA will be provided for candidates appearing for the interview.
#The position is purely temporary.
#The decision of the selection committee will be final.

Applications should be addressed to: Dr S. Mozumdar, Principal Investigator, Department of Chemistry, University of Delhi, Delhi 110 007; e-mail: subhomozumdar@yahoo.com.

Last date for receiving applications: 21 June 2011.

Department of Textile Technology
Anna University, Chennai 600 025

Applications are invited from eligible candidates for the post of Junior Research Fellow (JRF) to work on a project entitled ‘Novel Biodegradable Fibres for Controlled Drug Release by Low Voltage Electrical Stimulation’ at the Department of Textile Technology, Anna University, Chennai. It is a project funded by Board of Research in Nuclear Sciences (BRNS), Mumbai.

The details of the eligibility are given below:

<table>
<thead>
