Appointment of One Research Associate (2011–2012)

Applications are invited for one position of Research Associate at Institute of Bioinformatics and Biotechnology (IBB), University of Pune.

- Position** : 1 Research Associate Post (1 SC*).
- Funding** : Department of Science and Technology (DST), Govt of India, New Delhi, India.
- Fellowship** : Rs 20,000 per month (consolidated).
- Period** : 1 year (2011–2012).
- Qualifications** : Ph.D. degree in Molecular Biology/Biotechnology/Biochemistry/Microbiology/Life Sciences with first class or equivalent GPA of the credit-based system at M.Sc. Evidence of research experience in the above specialization. Preference will be given to candidates who have published in peer reviewed journals of high impact factor.

Applications on plain paper with detailed bio-data, with recent passport size photo, relevant research experience and references of publications, testimonial from research guide along with attested copies of mark sheets, degree certificates and caste certificates should be addressed to, **Professor B. A. Chopade**, Director, Institute of Bioinformatics and Biotechnology (IBB), University of Pune, Pune 411 007 so as to reach on or before Monday, **11 July 2011**.

*If suitable candidates from SC category are not found, then candidates from open category would be appointed against SC category. Short-listed candidates will be informed by e-mail. Interviews will be held on Friday, **15 July 2011** at 10.00 am in IBB. No TA/DA will be paid for attending the interview.

Dr M. L. Jadhav
Registrar

**Hands-on Workshop on
Biophysical and Biotechnological Research
Techniques for Scientists and Scholars**

25–27 July 2011
Anna University, Chennai

A three-day Hands-on Workshop is being organized by AU-KBC Research Centre, Anna University, Chennai to expose and train scholars and scientists on Raman Spectroscopy, Atomic Force Microscopy, Optical Tweezers and Patch Clamp.

Participants interested in attending the workshop may send applications to the **Workshop Coordinator** only via e-mail, and should reach before **5 July 2011**, giving all relevant academic and professional details. The workshop will be limited to about 30 participants, and would be largely on first-come-first-served basis.
