Applications are invited for the Mahatma Gandhi Chair for Ecology and Environment established at the Centre for Biodiversity Studies of the University by the Union Ministry of Environment and Forests, New Delhi. The thrust area of the Chair, which is initially for a period of 3 years, is Biodiversity Studies. The Chair carries annual honorarium of Rs 960,000 and travel grant of Rs 100,000 per year. The support staff attached to the Chair comprises a Junior Research Fellow and Data Entry Operator.

The main objective of the Mahatma Gandhi Chair is to promote Gandhian thoughts, ideas and philosophy on environment and development in the truest sense by supporting and encouraging potential and proven talents to take up work in new and emerging fields of Ecology and Environment.

Scholars of proven attainments in any aspect of Biodiversity may send their curriculum vitae, copies of recent publications and a brief write-up on the work they propose to undertake on assumption of the Chair for consideration by the Search Committee.

The applications should reach **The Registrar** on or before **4 July 2011**.
