Madurai Kamaraj University
Palkalai Nagar, Madurai 625 021

**Call for applications from Institutes/Universities to avail
'On Site' workshop programme of UGC-NRCBS, MKU**

Applications are invited from universities/institutions involved in research activities in Biological Sciences to Networking Resource Centre in Biological Sciences (NRCBS), Madurai Kamaraj University (MKU), Madurai to conduct 'On Site' Summer/Winter school or research workshops for one–two weeks. NRCBS-MKU is periodically conducting several summer/winter schools to train the young research students/faculties engaged in research in Biological Sciences. Only limited numbers of participants are accommodated in these schools. As there is great demand for these training programme, NRCBS-MKU has proposed to conduct these workshops 'On Site' to cater the need of large number of research students/faculty in remote places who are deprived of the modern research facility/mentoring support in Biological Sciences. The faculty and NRCBS team of School of Biological Sciences will visit and conduct the 'On Site' workshop at the selected institute/university and provide 'Hands On' training and mentoring the research students working in Biological Sciences.

Interested research institutes/universities involved in Biological Sciences research may download the application from www.nrcbsmku.org and duly completed application may be sent to **The Coordinator**, NRCBS Programme, School of Biological Sciences, Madurai Kamaraj University, Madurai 625 021. The last date for receiving the application is **30 August 2011**.

UGC-NRCBS Visiting Fellowships
UGC-Networking Resource Centre in Biological Sciences
School of Biological Sciences

UGC-NRCBS, Madurai Kamaraj University invites applications from research scholars, post-docs, young faculty members and scientists of Indian universities/research institutions for the '**UGC-NRCBS Visiting Fellowship**' throughout the year to conduct advanced research in Biological Sciences. The visiting fellowships for a minimum period of one month to a maximum of three months are provided to the selected candidates for furtherance of their research capabilities, for carrying out collaborative research or utilizing facilities available in UGC-NRCBS, Madurai Kamaraj University. The visiting fellowship carries Rs 5000 per month, which can be availed in addition to the scholar's/scientist's own fellowship/salary from their parent institution. The candidate is also eligible for travel allowances as per the MK University regulations. The details of available expertise, infrastructure, instructions and application form can be downloaded from the UGC-NRCBS website www.nrcbsmku.org or from www.genomicsmku.org
