

Department of Chemical Engineering Indian Institute of Technology Kanpur

Applications are invited from eligible candidates for the post of Senior Project Associate to work on a project entitled '**Low temperature catalytic ozone decomposition**' at the Department of Chemical Engineering, IIT Kanpur, Kanpur.

The details of the eligibility are given below:

Name of the post	: Senior Project Associate
Number of vacancies	: One
Duration of the project	: 3 years (initial appointment to be made for 1 year)
Essential qualification	: M.Tech. (Chemical Engineering) or B.Tech./B.E. (Chemical Engineering) + 2 year experience or M.Sc. (Chemistry or Material Science) + 2 year experience
Desirable qualifications	: Research experience in Reaction Engineering and Catalysis
Stipend amount	: Rs 12,000–1200–24,000

Interested and eligible candidates are requested to send their bio-data to the following e-mail: goutam@iitk.ac.in **within 15 days** from the date of advertisement.

The short-listed candidates shall be called for an interview at the Department of Chemical Engineering and no TA/DA will be provided to attend the interview.

The exact date of interview will be informed to the short-listed candidates in due course.

Contact address of the Principal Investigator:

Prof. Goutam Deo, Department of Chemical Engineering, Indian Institute of Technology Kanpur, Kanpur 208 016; Phone: 0512-259 7881; e-mail: goutam@iitk.ac.in.

National Research Conference on Climate Change

Indian Institute of
Technology Delhi

November 5-6, 2011

Abstract submission deadline:
September 30, 2011

Acceptance notification:
October 15, 2011

CALL FOR ABSTRACTS

Indian Institute of Technology Delhi (IITD), Indian Institute of Technology Madras (IITM), and the Centre for Science and Environment (CSE) are jointly organizing a National Research Conference on Climate Change to be held at IITD on November 5-6, 2011 which is supported by the Shakti Sustainable Energy Foundation.

We invite abstracts from faculty and other researchers, students, and practitioners in the areas relevant to climate change. Selected abstracts will receive a slot for presentation or for the poster session. There will also be panel discussions involving invited speakers from a range of backgrounds.

Submissions should include title, author affiliation(s), contact details, and an abstract of less than 250 words. Submissions should be sent to nccconf@gmail.com by September 30, 2011.

Limited funding is available for travel and local expenses for suitable candidates (including junior scholars).
