

## Plant Biotechnology Centre

College of Agriculture, Dapoli  
Dr B. S. Konkan Krishi Vidyapeeth, Dapoli

### Advertisement for JRF

Applications are invited for the post of Junior Research Fellow (JRF) to work in the research project funded by Board of Research in Nuclear Sciences (BRNS), Department of Atomic Energy (DAE), BARC, Mumbai at the Plant Biotechnology Centre, College of Agriculture, Dapoli, Dr B. S. Konkan Krishi Vidyapeeth, Dapoli (Maharashtra). The details of requirement are as given below.

<b>Name of the post</b>	:	Junior Research Fellow (JRF)
<b>No. of post</b>	:	One
<b>Essential qualification</b>	:	M.Sc. (Agril. Botany/Agri. Biotechnology/Biotechnology/Agri. Bio-chemistry/Bio-chemistry)
<b>Salary</b>	:	Rs 16,000, Rs 16,000 and Rs 18,000 for 1st, 2nd and 3rd year respectively
<b>Project title</b>	:	Use of irradiation technique for creation of variability in finger millet and assessment of mutants through molecular markers
<b>Duration of project</b>	:	Three years
<b>Principle investigators</b>	:	Dr N. B. Gokhale (PI) Dr S. V. Sawardekar (Co. PI)
<b>Principal collaborator</b>	:	Dr S. G. Bhagwat

Biodata affixed with photograph and necessary supporting documents by speed post or mail may be sent to **Dr N. B. Gokhale**, Principal Investigator and Incharge, Plant Biotechnology Centre, College of Agriculture, Dapoli 415 712, Maharashtra (nbgokhale@rediffmail.com) on or before **15 November 2011**.

N. B. Gokhale  
Principal Investigator

## Regional Centre for Biotechnology

an institution of education, training and research

(Established by the Dept of Biotechnology, Govt of India, under the auspices of UNESCO)

### Research Fellowships

The Regional Centre for Biotechnology (RCB) is designed to be an international institution of excellence in biotechnology, with intimate contributions from regional countries as well as from academic institutions worldwide. RCB will provide a globally competitive platform for interdisciplinary research and education at biotech interface of engineering and medicine, chemistry and physics, agriculture and climate science to empower human resources to drive biotech innovations.

Applications are invited from post-graduate candidates who have obtained Master's degree in any discipline of the sciences or M.B.B.S./M.Pharm./M.Tech./M.V.Sc., to work under the mentorship of its faculty as Junior Research Fellows (JRFs) leading to a Ph.D. degree. Candidates should have intense interest to work at the interface of multiple disciplines in the areas related (but not limited) to Structural Biology, Chemical Biology, Cell Biology, Disease Biology, Nanobiotechnology, etc. The fellowship is initially tenable for the duration of two years, and is extendable for additional three years after an annual review. The candidates who have completed their M.Sc. within past two years, have scored 60% or more marks in their graduate and post-graduate degree examinations (relaxable by 5% for SC/ST/PH candidates) and have qualified one of the following national level postgraduate examinations: CSIR-UGC NET for JRF/LS DBT JRF/ICMR JRF/ICAR JRF/DST INSPIRE-JRF or equivalent are eligible to apply.

Interested candidates may submit their application in the format available in the website ([www.rcb.res.in](http://www.rcb.res.in)). Candidates should send the filled application form by e-mail to registrar@rcb.res.in by **25 November 2011**. A signed copy of the same application along with a demand draft of Rs 500 (exempted for SC/ST/PH candidates) in favour of '**Executive Director**, Regional Centre for Biotechnology, Gurgaon 122 016, Haryana' should be sent by registered post to **The Registrar**, Regional Centre for Biotechnology, 180 Udyog Vihar Phase 1, Gurgaon 122 016, Haryana, India by **25 November 2011**. Only shortlisted candidates will be invited for interview for final selection.
