DBT Launches Online Project Submission – eProMIS

Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India provides financial assistance to Research and Development projects. Moving forward w.e.f. 1 September 2011 DBT has introduced eProMIS a web portal (<http://dbtepromis.nic.in/Login.aspx>) in order to enable online projects submission. Key features of the eProMIS are online registration for new investigators, tracking the current status of the project, online availability of user manual, various forms, etc., online access to proposals for review and evaluation, and reduced time lags, paper work at various stages of processing. This system will facilitate complete monitoring and project management.

Online project submissions are now being accepted. All Project Investigators are requested to submit their proposal online through eProMIS. For any assistance in this regard contact at epromis.dbt@nic.in.

Position of JRF in BRNS Project

Applications are invited from qualified candidates with M.Sc. Chemistry (organic), 55% or above marks for the post of a JRF (fellowship Rs 16,000 plus admissible allowances) for a BRNS sponsored research project (No. 2011/37C/35/BRNS, dated 20-10-2011) entitled 'Studies on chemical synthesis of selenopeptides, selenoamides/selenourea linked glycosylated amino acids, insertion of seleno-carboxamide, selenourea and ψ [CH₂SEH] moieties as carboxy group replacement' under Prof. V. V. Suresh Babu (PI), Bangalore University. Applications along with attested copies of mark sheets, certificates, recent passport size photograph and other testimonial should reach **Prof. V. V. Suresh Babu**, Dept of Chemistry, Central College Campus, Dr B. R. Ambedkar Veedhi, Bangalore University, Bangalore 560 001 (e-mail: hariccb@gmail.com), on or before **15 January 2012**. NET/LS/GATE qualified candidates are preferred. Only short-listed candidates will be informed by e-mail for an interview. The original certificates should be brought for verification at the time of interview. No TA/DA will be provided to candidates for attending the interview.

Advertisement for JRF

Title: Development of Metal Doped, Carbon Nanotubes/Conducting Polymer Based Modified Electrodes for the Biosensor Applications.

Funding agency: BRNS.

Principal Investigator: Dr Santosh K. Haram, Dept of Chemistry, University of Pune, Pune 411 007. e-mail: haram@chem.unipune.ac.in; Phone: 093705 32789

Minimum qualifications: M.Sc. in Chemistry, Chemical Physics or Material Science with atleast 55% aggregate marks or equivalent B+ grade.

Desirable qualification: NET/SET/GATE cleared.

Age limit: 28 years.

Fellowship: Rs 16,000 p.m. consolidated.

Duration: Initially for two years, may be upgraded to SRF for third year.

The complete applications should reach to **Dr Santosh K. Haram** on plain paper carrying academic qualifications, experience, publications (if any) contact details (e-mail/phone/mobile), copy of the M.Sc. dissertation and a short note (about 200 words) justifying why are you interested in this work.

Last date: **15 January 2012**.

Walk-in-Interview

Position for JRF in DAE-BRNS Project

Walk-in-interview will be conducted in the office of the Chairperson, Department of Applied Physics on 23 January 2012 at 11.00 am to select one JRF in DAE-BRNS sponsored research project entitled 'Optical Limiting and Degenerate Four-wave Mixing in Nonlinear Optical Materials Using Lasers' sanctioned to Professor Devendra Mohan. The tenure of the appointment will be coterminous with the duration of the project (three years). The selected candidate will be paid fellowship of Rs 16,000 per month for first two-years. The candidate must have Master's degree with at least 55% marks in the subject concerned. However, NET/LS/GATE qualified candidates will be preferred. The candidate must bring all original documents along with one set of attested copies and a copy of latest bio-data. No TA/DA will be paid for attending the interview.
