Applications are invited from qualified candidates with M.Sc. Chemistry (Organic), 60% or above marks for a post of JRF with fellowship of Rs 16,000 (fixed) for a BRNS sponsored research project entitled ‘Polymer supported synthesis of some selected novel isoalloxazine derivatives and their applications as metal-free organocatalyst in Asymmetric Baeyer Villiger oxidation and oxidation of heteroatom containing substrates’ under Dr Richa Srivastava (PI), Delhi Technological University.

Applications along with attested copies of mark sheets, certificates, recent passport size photograph should reach to Dr Richa Srivastava, Department of Applied Chemistry and Polymer Technology, Delhi Technological University, Shahbad, Daulatpur, Bawana Road, Delhi 110 042 (e-mail: richa.dtu@gmail.com), on or before 10 February 2012.

NET/LS/GATE qualified candidates are preferred. DTU reserves the right to fix suitable criteria for short-listing of eligible candidates satisfying advertised qualification and requirement of the project post. Only short-listed candidates will be informed by e-mail for interview. The original certificates should be brought for verification at the time of interview. No TA/DA will be provided to candidates for attending the interview. The advertisement is also available on University website.
