Dr Tapas K. Chaudhuri
Professor and Head

Applications are invited from Indian nationals for the position of Project Assistant for the project entitled: '**Inkjet Printing of Inorganic Thin Films for Solar Photovoltaics**' sponsored by Department of Science and Technology, Government of India.

Essential qualifications: M.Sc. in Physics/Materials Science with good academic record.

Emolument: Rs 8000 per month.

Duration: 3 years.

Application on plain paper, including CV should be sent to **The Principal Investigator**, DST-SERI Project, Dr K. C. Patel Research and Development Centre, Charotar University of Science and Technology, CHARUSAT Campus, Changa 388 421, Gujarat, India, on or before **15 March 2012**.

**International Conference on
'Women in Science and Engineering: Global Perspectives on
Challenges and Opportunities' (WISE-2012)**

in association with

University of Missouri, College of Engineering, Columbia, USA

Organized by

Mody Institute of Technology and Science, Lakshargarh, Sikar, Rajasthan 332 311
(Deemed University U/S 3 of the U.G.C. Act 1956)

Venue: Faculty of Engineering and Technology, Mody Institute of Technology and Science
Lakshargarh, Sikar, Rajasthan 332 311

- Theme:**
- Role of women in science and engineering
 - Achievements of women scientists and technologists
 - Career options for women in science and engineering
 - Female leaders in the engineering, science and technology field
 - Business opportunities for women scientists and engineers
 - The value of having women in management positions
 - How women excel in an engineering and scientific world
 - Reaching the unreached
- Important dates:**
- Receipt of Abstract : **7 March 2012**
 - Information about acceptance of Abstract : **14 March 2012**
 - Last date for registration and accommodation : **21 March 2012**
 - Conference date : **28 March 2012**

*Spot registration is also available; however accommodation will depend on availability.
