

Science Writing Internships

at

Current Science

The Current Science Association has instituted Science Writing Internships for working in the editorial office of *Current Science*. The internships are awarded initially for a period of 6 months, extendable for a further period depending on performance.

Qualification: Candidates must possess a basic degree in any branch of science and show evidence of scientific writing skills in diverse areas of science. Those who possess a postgraduate degree in literature, journalism or mass communication can also apply.

Age: Not more than 35 years as on 1 March 2012.

The candidates should not have any position (full time or part time) that entitles them to any remuneration.

Job description: Selected candidates will be based in Bangalore and will assist in the publication of the journal besides writing for the News, Research News and General sections of the journal.

Fellowship: Selected candidates would be offered a fellowship depending on qualification and experience. Applications, including a detailed CV and reprints of popular science articles of the candidate, must be sent to:

The Executive Secretary
Current Science Association
P.B. No. 8001
Sadashivnagar P.O.
Bangalore 560 080
e-mail: madhavan@ias.ernet.in

Applications may be received throughout the year.
