Applications are invited for ‘Research Associate’ under the J C Bose Fellowship Project of DST, Government of India.

Name of the post: Research Associate

Qualification and experience: Ph.D. with minimum of 55% marks in M.Sc. (Theoretical and Computational Chemistry, and allied areas in Physics, Chemistry or Biology). Those who have submitted Ph.D. thesis may also apply. Preference will be given to those with published research work of high quality.

Salary: Rs 22,000 plus HRA per month.

Age: The upper age limit 35 years on 16 March 2012. A relaxation of 5 years is applicable to candidates belonging to SC/ST/OBC and women candidates.

Duration: One year (extendable for another year, on review of performance).

How to apply: The application should follow the format provided with this advertisement in the website (www.iisertvm.ac.in/appointments/projects). Incomplete applications or those that do not meet the minimum criteria will not be considered. Mere fulfillment of qualifications/experience requirements does not entitle a candidate to be called for interview. Only short-listed candidates will be called for an interview. Completed applications should reach the undersigned on or before 16 March 2012 preferably by e-mail (jemmis@iisertvm.ac.in). No communications in this regard will be entertained from candidates. Dr E. D. Jemmis, Professor of Chemistry, Indian Institute of Science Education and Research Thiruvananthapuram, College of Engineering Trivandrum Campus, Computer Science Building, Engineering College P.O., Thiruvananthapuram 695 016, Kerala, India; e-mail: jemmis@iisertvm.ac.in.

Biotechnology Division
Environment Protection Training and Research Institute (EPTRI)
91/4, Gachibowli, Hyderabad 500 032

Invites applications for a ‘Junior Research Fellow’ in National Medicinal Plants Board (NMPB) project titled: ‘Mass multiplication and field evaluation of tissue culture-raised plants of Gloriosa superba L., a highly prized medicinal plant, for optimum utilization’ tenable up to September 2012.

Essential qualifications: M.Sc./B.Tech. in any branch of Biological Sciences/Technology with experience in plant tissue culture, molecular genetic and/or phyto-chemical analyses techniques.

Desirable qualifications: Experience in an area relevant to the project.

Emoluments: Rs 12,000 per month plus HRA.

Interested candidates may send their CV to sivakumars@eptri.com mentioning ‘NMPB positions’ as the subject to reach by 5 March 2012.

No TA/DA will be paid for attending the interviews to be held at EPTRI, Hyderabad.

Director (Development)
