

# Summer Training for Life Science Students / Researchers

- ◆ 2 weeks Summer Training in May, 2012
- ◆ 1 month Summer Training in June, 2012
- ◆ Learn about the in-silico gene cloning, primer designing, literature review techniques, genomics and proteomics, statistics for data analysis

**Eligibility :** Bachelors/Masters/Ph.D. students from Biotechnology/Botany/Zoology/Microbiology/Biochemistry/Health Sciences/Environmental science/Medical sciences

**Accommodation assistance provided!!**

For details visit [www.iacl.edu.in](http://www.iacl.edu.in)

Ph : 9545-562-563 / 9011-430-077

## Bio-CARe

**The Department of Biotechnology Government of India  
Announces the Call for Proposals Under  
'Biotechnology Career Advancement and Re-orientation  
Programme for Women Scientists'**

In an attempt to enhance the participation of Women Scientists in Biotechnology Research, the Department of Biotechnology announces the **Call for proposals under the Bio-CARe scheme for women scientists**. The programme is targeted towards Career Development of employed/unemployed women scientists. The scheme is open for all areas of life science/biology (including agriculture, veterinary science and medicine). Age limit for application has been kept as 55 to ensure maximum impact.

The programme aims at providing support for project grants to women scientists (employed and unemployed) for whom it is the first extramural research grant (Women Scientists who have received any earlier grant from any Government Funding Agency as PI are not eligible). The purpose is to build capacities for women scientists after a career break so as to help them undertake independent R&D projects.

Interested scientists may send their Letters of Intent (LoI) to **Mrs Rugmini M. Menon**, Senior Scientific Officer-II, Department of Biotechnology, CGO Complex, New Delhi 110 003, e-mail: [biocare.dbt@nic.in](mailto:biocare.dbt@nic.in).

Details of the scheme and LoI format are on DBT website [www.dbtindia.nic.in](http://www.dbtindia.nic.in)

Last date of submission of LoI is **31 May 2012**.
