

Training Workshop on Quaternary Setup of Arid NW Himalaya: Main Focus on Ladakh

18 August–6 September 2012

(Sponsored by Department of Science and Technology, Govt of India, New Delhi)

Wadia Institute of Himalayan Geology, Dehradun proposes to conduct a 20 days field training workshop on the 'Quaternary Setup of Arid NW Himalaya: Main Focus on Ladakh' during 18 August–6 September 2012 in and around Leh and Karakoram region of Ladakh. The main objective of this workshop is to impart the modern knowledge and hands on experience in the field Quaternary Arid Geomorphology and Sedimentology with emphasis on climate and tectonics in active fold thrust belts to the young researchers/scientists and to evolve scientific projects by the participating scientists.

The young researchers/scientist willing to undertake this training programme are requested to send their academic profile, including ongoing research activities and mention separately how this workshop would benefit their ongoing research task. The application, duly forwarded from their supervisor/head of the department, should reach to ramperu.jayan@gmail.com or pradeep@wihg.res.in or by post at address mentioned below on or before **30 June 2012**.

The selection will be done as per the directions of the Department of Science and Technology, Govt of India, New Delhi. The selected participants will be provided travel reimbursement as per the norms of Govt of India to reach Delhi Airport. Travel from Delhi Airport to Leh and back by flight, lodging and boarding during their stay at Leh will be borne by the organizers. Aspirants must be medically fit to work in high-altitude terrains.

Advt No. CSIR/367

Date: 22 May 2012

Invites applications for a Research Associate (RA) in a CSIR sponsored project.

- Title of project** : RAD51C deficiency as a therapeutic target for the treatment of breast cancer using cytotoxic PARP inhibitor.
- Tenure of the project** : 1.04.2012 to 31.05.2015.
- Essential qualification** : Doctorate (Ph.D./M.D./M.S./M.D.S.) or equivalent degree or having 3 years of research experience after M.VSc./M.Pharm./M.E./M.Tech.
- Desirable qualification** : Familiarity with techniques in Molecular Biology and Biochemistry.
- Job description** : The selected candidate has to assist the Project Investigator in the research work and discharge any other duties assigned from time to time.
- Emoluments** : Rs 22,000 p.m. + 30% HRA.
- Age limit** : The upper age limit is 35 as on the day on which the application is made. The upper age limit is relaxable up to 5 years in the case of candidates belonging to scheduled castes/tribes/OBC, women and physically handicapped candidates.

Candidates should send their applications on plain paper furnishing the bio-data (including names and contact addresses of two referees), attested copies of certificates in support of age, qualification, experience, etc., to **Dr Ganesh Nagaraju**, Department of Biochemistry, Indian Institute of Science, Bangalore 560 012, **within 15 days** from the date of this advertisement.
