Sun, Sand and Science

- **Open Science Meeting (OSM)**
Venue: Cidade de Goa Resort, Goa
Dates: 13-16 February, 2013
- **Young Scientists Meeting (YSM)**
Venue: International Centre, Goa
Dates: 11-12 February, 2013
- **Abstract submissions open now!**

Calendar for 4th OSM

- 15 Jun 2012:** Registration opens
- 08 Sep 2012:** Abstract submission deadline
- 31 Oct 2012:** Early registration deadline

Calendar for 2nd YSM

- 15 Jun 2012:** Registration opens
- 07 Jul 2012:** Abstract submission deadline
- 31 Oct 2012:** Early registration deadline

Scientific Sessions

- Monsoons in space and time: patterns, mechanisms and impacts
- Regional climate variability over the last 2000 years
- New avenues in data assimilation and data-model comparison
- Climate modes in the past
- Abrupt changes and extreme events – assessment and risks
- Past changes in fluvial systems, flood plains and estuaries
- Sensitivity of the cryosphere: past and future
- Natural and anthropogenic transformation of land cover during the Holocene
- Climate impact on human evolution and civilizations
- Sea level change and the coastal zone: Threats for human societies
- Biodiversity and refugia: lessons from the past
- Climate change: Physical forcings and biogeochemical feedbacks
- Past warm periods informing the Anthropocene
- Natural and human effects on ecosystem dynamics
- The role of ocean circulation in climate dynamics
- Open session on latest highlights in paleoscience

Plenty of activities

- Plenary lectures by experts
- Parallel scientific sessions
- Outdoor poster sessions
- Eminent public lecture
- Explore Goa - Field trips
- Beach soccer – PAGES Cup 2013

Support

- Ministry of Earth Sciences (Government of India) is the main sponsor
- Opportunities for registration, travel and accommodation support

More information

Abstract submission, registration and for conference details, visit:
