Winter School on ‘Introduction to Ab Initio Calculations’

The UGC Networking Resource Centre at the School of Chemistry, University of Hyderabad is organizing a Winter School on ‘Introduction to Ab Initio Calculations’ from 10–22 December 2012. Interested M.Phil./Ph.D. students, post-doctoral fellows, college/university faculty may apply for this programme. Candidates who attended the Summer School organized by the Centre on the same subject in April 2011 will not be considered. A maximum of 25 participants will be enrolled for this Winter School. Selection will be made on the basis of the applications received latest by 31 October 2012 (for details regarding the Winter School and the application form, see http://chemistry.uohyd.ernet.in/~nwc/schools.html). The application forms should be completed in all respects, signed and sent to the address given below by post (scanned copy of the completed and signed form can be sent by e-mail). Pro-rata maintenance allowance and sleeper class train fare for travel will be provided to the participants. Participants from the North East region will be paid air fare (economy) for the travel between their nearest airport and Kolkata and sleeper class train fare between Kolkata and Hyderabad. Accommodation will be provided in the University Guest House.
