

Training Programme for Women Scientists on Geomatics: Technology and Applications

Department of Science and Technology (DST), Ministry of Science and Technology, Government of India has sponsored Four (4) training programmes (in a calendar year) on 'Geomatics: Technology and Applications' which is being organized by the Centre for Geospatial Science, Technology and Space Research, CEPT University, Ahmedabad. The first training of this series is scheduled on 3–8 December 2012. The major objective is to impart hands on training to the women scientists in the field of Remote Sensing, Geographical Information System, Global Positioning System and Data Base Management System. This is open for all Women Scientists Scheme awardees of Department of Science and Technology, Research Scholars/Research Associates/Faculty Members of Universities/Colleges and professionals from Central and State Government Organizations, NGOs and other Institutions. There will be no fee for the training. Expenses on travel, board and lodging will be borne by the organizers. Interested women scientists may download the application form from the website www.dst.gov.in and www.cept.ac.in which may also be obtained by sending a request to cept.geomatics@gmail.com. Completed applications form duly signed by the head of the institute should reach **Prof. Anjana Vyas**, Course Coordinator, Centre for Geospatial Science, Technology and Space Research, CEPT University, K L Campus, University Road, Navrangpura, Ahmedabad 380 009 before **22 October 2012**.

Department of Physics Mohanlal Sukhadia University, Udaipur

No. Phy/CS/MLSU/2012

Date: 25-9-2012

Applications are invited for the selection of JRF @ Rs 16,000 p.m. (consolidated) under the BRNS Research Project entitled '**Magnetic and Transport Properties of Functional Nano Sized Fe and Cr based Spinels**' sanctioned to **Dr N. Lakshmi**, Department of Physics by DAE, BARC for a period of three years. Candidates having educational qualification of M.Sc. Physics with minimum 55% marks and consistent academic record may apply in a plain paper to undersigned on or before **10 October 2012**. NET qualified candidates are preferred. Candidate has to do part of the work under the project at BARC, Mumbai, for a period of minimum three years. All eligible applicants shall be required to attend an interview on **15 October 2012** at 11.00 a.m. along with original documents in the Department. No TA and DA will be admissible for attending the interview.

Prof. N. Lakshmi
Principal Investigator

Sankara Nethralaya

Applications are invited on plain paper, along with bio-data and certified copies of testimonials for a temporary post of Senior Research Fellow, for a period of two years in the project sanctioned by the Board of Research in Nuclear Sciences (BRNS), Department of Atomic Energy (DAE) entitled '**Aptamer based Radiopharmaceuticals for Diagnostic Imaging and Radiotherapy of Epithelial Cancers**', No. 2010/35/19/BRNS to the Department of Ocular Pathology, Vision Research Foundation, Sankara Nethralaya. Consolidated emoluments of Rs 18,000 per month for the 2nd year and Rs 20,000 per month for the 3rd year will be as per grant.

Qualification: M.Sc. in Biological Sciences with good academic record.

The interested candidates please come with all the relevant documents and attend the written exam on **5 October 2012** at about 10.30 a.m. No TA/DA will be paid for attending the interview.

Venue address: L&T Ocular Pathology Department, Vision Research Foundation, Sankara Nethralaya, No. 18, College Road, Nungambakkam, Chennai 600 006. Tel.: 044-2827 1616; ext 1302.
