

S. Ramaseshan Science Writing Fellowships/Internships

at

Current Science

The Current Science Association invites applications for Science Writing Fellowships, instituted in memory of Professor Sivaraj Ramaseshan for his contributions to the journal ***Current Science*** and science writing internships for working in the editorial office of the journal.

Essential qualification: S. Ramaseshan Fellowships/Internships:

Candidates must possess a basic degree in any branch of science. Candidates with postgraduate (after B.Sc.) degree in literature, journalism or mass communication can also apply for the fellowship or internship. Fellowships will be awarded to a limited number of exceptionally motivated candidates for a period of one year, extendable for a further period of one year. The internships will be awarded initially for a period of 6 months, extendable for a further period depending on performance.

Desirable: A flair for writing and wide interest in diverse areas of science with basic computer skills.

Age: Not more than 35 years as on 1 March 2012.

Job description: Selected candidates will be expected to write for the News, Research News, and General sections of the journal ***Current Science*** on a regular basis. Selected candidates will be normally based in Bangalore and are expected to assist the editorial staff in the publication of ***Current Science***.

The candidates should not have any position (full time or part time) that entitles them to any remuneration. Selected candidates would be offered Rs 12,000–15,000 depending on qualification and experience. Evidence for interest in popular science writing may be provided.

Applications, including a detailed CV should be sent to:
