Programme Support on Molecular Parasitology and Research Training on Intracellular Pathogens
Lecture Course on ‘Drug Development and Infectious Diseases’
School of Life Sciences, Jawaharlal Nehru University
14–18 January 2013

US-India joint training programme and DBT programme Support in Molecular Parasitology, JNU are organizing a five-day Lecture Course on ‘Drug Development and Infectious Diseases’ from 14 to 18 January 2013. This course would provide advanced training to young, talented researchers with appropriate scientific background and interests. The majority of the lectures will be given by Drs Wim Hol (USA) and Paul Michels (Belgium and Scotland). Hands on training on In silico drug designing will be provided. The proposed venue for the Workshop is School of Life sciences, Jawaharlal Nehru University, New Delhi, India.

Maximum of 25 seats are available. Interested candidates may apply with CV and two recommendation letters to the following e-mail: madhucvs08@gmail.com

Registration fees: Students: Rs 3000; Industry participants: Rs 10,000
Application deadline: 25 December 2012
Workshop organizers: Prof. Rentala Madhubala and Prof. Alok Bhattacharya
Sponsors: US-India Joint Training Programme

Junior Research Fellow

Applications are invited for a JRF position for the DAE-BRNS funded project ‘Fluorescence spectroscopic investigations of organic molecules adsorbed on isotropic and anisotropic gold and silver nanoclusters for advanced understanding of SERS effect’.

Qualification: M.Sc. in Physics/Chemistry (specialization in Physical Chemistry). The duration of the project is 3 years, salary is Rs 16,000 p.m. Interested applicants may send three copies of bio-data (with contact e-mail ID), two recommended letters and other relevant documents to the PI, Dr Joydeep Chowdhury, Department of Physics, Sammilani Mahavidyalaya, E.M. ByPass, Baghajatin, Kolkata 700 094 on or before 31 December 2012. CV may also be send through e-mail to joydeep72_c@rediffmail.com.

Bombay College of Pharmacy
Kalina, Santacruz (E), Mumbai 400 098
Maharashtra, India

Junior Research Fellow

Applications are invited for a position of Junior Research Fellow in the BRNS sponsored Major Research Scheme entitled ‘Radio tracer based biodistribution studies of novel nanocarrier based transdermal delivery system for rheumatoid arthritis’.

Essential qualification: M.Pharm. in Pharmaceutical Sciences with first class. GATE/GPAT qualified candidates with research experience in NDDS and/or in pharmacology will be preferred.

Fellowship: Rs 16,000 + HRA per month.
Duration: 3 years.

Eligible candidates may apply with two sets of bio-data by post on or before 28 December 2012 to The Principal, Bombay College of Pharmacy, Kalina, Santacruz (East), Mumbai 400 098, Maharashtra, India. Mark the envelope with ‘Attn: Dr (Mrs) Anuradha S. Majumdar’, e-mail: anuradha.majumdar@gmail.com.
