Call for Research Proposals

Empowerment and Equity Opportunities for Excellence in Science

The Government of India established the Science and Engineering Research Board (SERB) through an Act of Parliament, viz. the Science and Engineering Research Board Act, 2008. Supporting basic research in emerging areas of Science and Engineering is one of the objectives of the Board.

SERB is expanding its reach across the country through various programmes without diluting the quality of research. In its endeavor of ensuring enhanced participation of weaker sections of the society in research and development, the Board has decided to implement a special scheme titled '**Empowerment and Equity Opportunities for Excellence in Science**'. The scheme drives special programs to ensure enhanced participation of SC/ST in the research and development field.

Application for project based support on a competitive mode is sought from the eligible scientists.

Eligibility

- (1) The scheme is open to Indian nationals only.
- (2) Should be an active researcher belonging to the Scheduled Caste and Scheduled Tribe category working in academic institutions/national labs or any other recognized R&D institutions in the field of Science and Engineering.
- (3) The applicant should have at least four years of service remaining before superannuation as on the date of submission of the proposal.

The format and guidelines and other details of the Scheme are available at www.dst.gov.in. The last date of receiving the proposal is **15 January 2013**.

Three (3) copies of the proposal, in the prescribed format, neatly typed on A-4 size paper, should be submitted to SERB along with one soft copy to the following address:
