Walk-In-Interview

Notification no. PS-39/2012

Walk-in-Screening Test/Interview will be held at Central Electrochemical Research Institute, Karaikudi on **17 January 2013** (Thursday) at 9.00 a.m. for selection of suitable candidate for the temporary position to be engaged in BRNS project.

Position and stipend	Essential qualification	Project title	Age limit
SRF (Project) Rs 18,000 p.m. (1 position)	M.Sc. – Chemistry/ Physics/Materials Science with 55% marks and should have completed at least 2 years of research experience preferably in the area of thin films	'Development of nanocomposite Ti-X-N (where X = B, Si, V, C and Cr) coatings by pulsed magnetron sputtering for multiple applications'	32 years

For further details, complete advertisement and application format please visit www.cecri.res.in

Gandhigram Rural Institute
Deemed University
(Re-Accredited with 'A' Grade by NAAC)
Gandhigram 624 302, Dindigul, Tamil Nadu

Advertisement for Research Fellow

Applications are invited for a position of Junior Research Fellow in the BRNS sponsored Major Research Scheme entitled '**Structural, optical and energy transfer studies of RE³⁺ ions in oxyfluoride glasses for the development of luminescence devices**'.

Essential qualification: M.Sc. Physics/Materials Sciences/Applied Sciences.

Fellowship: Rs 16,000 p.m. for first two years and Rs 18,000 p.m. for the third year (after performance appraisal).

Duration: 3 years

Eligible candidates may apply with bio-data by post/e-mail on or before **25 January 2013** to

Dr K. Marimuthu

Principal Investigator, BRNS Project
Department of Physics
Gandhigram Rural Institute – Deemed University

Shivaji University
Kolhapur

Walk-in-Interview

Walk-in-interview for the following post under the project entitled '**Performance study of miniaturized EMC transmitting/radiating structures composed of nano carbon/hexaferrite composites**' funded by DAE-BRNS to Dr Vijaya Puri, Department of Physics, Shivaji University, Kolhapur.

Post: One Junior Research Fellow

Qualifications: M.Sc. (Physics) minimum 55%. Knowledge of microwave techniques and ferrites desirable

Salary: Rs 16,000 p.m. fixed

Duration: 3 years

Date, Time and Place of Interview: **17 January 2013** at 11.30 am, Department of Physics, Shivaji University, Kolhapur.

Interested candidates should appear for the interview along with application on plain paper giving full name, date of birth and educational qualification with original certificates. No TA/DA will be paid to the candidates appearing for the interview.

Place: Kolhapur

Dr D. V. Muley
Registrar

MANIPAL
UNIVERSITY

Junior Research Fellow

Applications are invited for the post of Junior Research Fellow to work under the DAE-BRNS, Govt of India sanctioned project entitled '**Evaluation and optimization of the use of laser radiation for burn wound therapy: An *in vivo* experimental study**' at Manipal Life Sciences Centre, Manipal University, Manipal.

Qualification: First class M.Sc. in Life Sciences (Biophysics, Biotechnology, Biochemistry, Pharmacology, etc.) with proven research experience in animal handling and care will be preferred.

Emoluments: Rs 16,000 p.m. (consolidated) for the first two years and Rs 18,000 p.m. for the third year.

Eligible candidates may apply with a detailed CV, research interest and names of the references to the undersigned within two weeks from the date of this notification.

The Director, Manipal Life Sciences Centre, Manipal University, Planetarium Complex, Manipal 576 104.
