

CEFIPRA Call for participation in **ESONN 2013 Session**

August 25th - September 14th 2013 / Grenoble, France

The Indo-French Centre for the Promotion of Advanced Research (Centre Franco-Indien pour la Promotion de la Recherche Avancée-CEFIPRA), a bilateral instrument of cooperation between India and France established by the Indian and French Governments in 1987 has laid a strong foundation for bilateral cooperation in science and technology during its existence of 25 years.

CEFIPRA has joined hands with European School on Nanosciences and Nanotechnologies (ESONN) in Grenoble, France, to support the participation of 5 Indian doctoral students in the ESONN training programme - Session 2013 (August 25th - September 14th, 2013). The expenses related to the participation of these students will be entirely borne by CEFIPRA.

ESONN is a three-week course and the details of which is available in (<http://esonn.fr/>). The program emphasizes the role of laboratory courses (half of the program is devoted to practical work) and structured to highlight the fundamental and technological advances in Quantum Nanoelectronics (session A) and at the interface between Physics and Biology (session B).

All the lectures and practical are given IN ENGLISH, at the Maison des Magistères, 25 rue des Martyrs, Grenoble, France.

APPLICATION PROCESS

1) Applicants for the school should register through ESONN web-site (<http://esonn.fr/>) first as per the instructions given.

2) After registration, online application is required attaching the following details:

- A detailed CV indicating university records
 - A list of publications if any
 - A scan (pdf) of passport
 - A scan (pdf) of the diploma giving you the access to doctoral studies (usually the master degree), or of your PhD diploma if relevant.
- Alternatively, a hard copy of the documents can be sent by post.

The PhD guide of the candidate has to send a support/reference letter to contact@esonn.fr directly.

3) After applying to ESONN, Indian candidates (only doctoral students) should apply to CEFIPRA with the following documents:

- A detailed CV indicating complete educational background from higher secondary/PUC or equivalent onwards, specifying subjects, marks and class obtained
- Please specify GATE Score/CSIR-UGC Fellowship/NET results
- A list of publications if any
- Details of current thesis research programme
- Two References (1. From PhD guide and 2. From a professor who knows the applicant for some years)

Deadline for the receipt of application at CEFIPRA office is : April 15th 2013.

Application should be Addressed to:

Dr. Debapriya Dutta

Director
