

## Translational Health Science and Technology Institute

496, Udyog Vihar Phase-III, Gurgaon 122 016, India

### Recruitment to fill up Research Scientist Positions

Recruitment Notice No. THS/RN/03/2013

Translational Health Science and Technology Institute (THSTI) is an autonomous institution of the Department of Biotechnology, Govt of India, and is a part of the interdisciplinary Biotech Science Cluster at Faridabad in the National Capital Region. The institution is designed to be a dynamic enterprise with a mission to conduct innovative translational research and develop collaborations across disciplines and professions to accelerate the extension of basic research to improve the human health. The Faridabad cluster of institutions will have state-of-the-art experimental animal facility, biosafety level 3 laboratories and technology platform resources.

To strengthen its research programmes, THSTI seeks highly motivated individuals with expertise in certain identified areas. Applicants must have an M.D./Ph.D. degree in the relevant discipline. Appointments on offer are at the level of Research Scientist-D and Research Scientist-E depending upon diversity of experience and quality of scientific accomplishments.

For details on the positions offered and application procedure, please visit our website [www.thsti.res.in](http://www.thsti.res.in). The closing date for submission of online applications is **10 May 2013**.
