The ICT, Mumbai (estd. 1933) is a world-renowned Deemed University funded by the Government of Maharashtra. The faculty is highly accomplished, with multi-disciplinary interests and decorated with national and international awards and honours, having live connections with industry. All leading foreign universities and Industries seek ICT graduates. It receives various grants and projects from the USG, DAE, DBT, DST and other agencies, and Indian and foreign industries, with several Centres of Excellence and Centres of Advanced Studies. It is rated as number one in Chemical Engineering and Technology in India, also as number one among all non-USA universities and is 4th in these areas in the world, according to the surveys conducted by Georgia Tech over the years. Research has been an integral part of ICT, with state-of-the-art research facilities, and limited hostel facilities.
