

## Subject: The Dean of Academic Affairs

**About Biocon:** Biocon is an emerging global biopharmaceutical enterprise focused on delivering affordable innovation. It is committed to reduce therapy costs of chronic diseases like diabetes, cancer and autoimmune diseases by leveraging India's cost advantage to deliver affordable healthcare solutions to patients, partners and healthcare systems across the globe.

**The Biocon Academy:** Biocon is taking our leadership role in the field of biotechnology a step further, by setting up the Biocon Academy, a premier biotechnology finishing school. We are committed to the growth of biotechnology in India and see its strong linkage to the foundation's vision to promote social and economic inclusion by ensuring that marginalized communities have equal access to healthcare services and educational opportunities.

**The Dean of Academic Affairs:** Biocon is inviting applications for 'The Dean of Academic Affairs', who is responsible for leading the academic and administrative activities of the Biocon academy, providing leadership to the faculty and managing the processes through which teaching is conducted and administered at the academy. The Dean ensures that the curriculum appropriately reflects the mission and that it is as current as possible in terms of disciplines and delivery. Works closely with stakeholders, partner organizations and universities to bring the best learning curriculum for students pursuing Biopharma careers.

**Qualifications and experience:** Demonstrated academic leadership, excellent communication and interpersonal skills and good judgement. Ability to formulate and articulate sound policies and demonstrated ability to identify, resolve, and consult on a wide range of administrative and personnel issues with a clear sense of institutional needs and priorities. Strong organizational and management skills. **Qualifications:** Doctoral degree in biosciences, MS degree in a related field required record of teaching excellence, service and scholarship commensurate with that of a tenured professor. Significant and more than 10 years of experience or above including experience in the development and administration of curriculum, budget, personnel, strategic planning, and the use of technology in higher education.
