

Can you envision the future of Advanced Materials?
Welcome to Shape it up.

CSIR is looking for Director

for its prestigious institute, CSIR-AMPRI at Bhopal

Advt. No.1/2013

Established in 1942, the Council of Scientific and Industrial Research (CSIR) is an autonomous Society whose President is the Prime Minister of India. An ensemble of 37 state-of-the-art National Laboratories/Institutes, 6 Units, 3 Innovation Complexes and 38 Centres, CSIR today is amongst the foremost and largest publicly funded scientific and industrial research organizations in the world. Pioneer of India's intellectual property movement, CSIR holds about 5600 Indian and Foreign patents. CSIR publishes yearly about 4600 papers in SCI journals, and about 500 students get their Ph.D. annually from its institutions. The expertise and experience of CSIR is embodied in its more than 4600 Scientists and 8,000 technical support personnel apart from about 8000 JRF/SRF/RA and project staff.

CSIR invites applications from outstanding R&D professionals to head its prestigious National Institute, CSIR-Advanced Materials and Processes Research Institute (CSIR-AMPRI) situated in Bhopal (Madhya Pradesh) as DIRECTOR and become a part in CSIR's mission, "to build a new CSIR for a new India".

CSIR-Advanced Materials and Processes Research Institute

The major R&D programmes of CSIR-Advanced Materials and Processes Research Institute (CSIR-AMPRI), Bhopal cover the domains of waste-to-wealth, low-cost/alternative building materials and components, new industrial materials (metal-matrix, light-weight metals etc.), beneficiation of low grade ores, and ground water resources planning and management.

For more details about the institute, visit <http://www.ampri.res.in>

HAG Pay Scale of Rs 67,000 (annual increment @ 3%) - 79,000 with allowances.

Essential Qualifications

Ph.D. in Natural Sciences or Masters Degree in Engineering (for Engineering, Ph.D. is desirable)

Age

45 years or above but not exceeding 58 years

Experience

16 years of experience in Research and Development in the areas of activities of the Institute and demonstrated excellence in leadership therein. Years of experience shall be computed from the beginning of research career
