

CENTRE FOR CELLULAR AND MOLECULAR PLATFORMS (C-CAMP)

presents BIRAC's
BIOTECHNOLOGY IGNITION GRANT (BIG)

For Igniting New Ideas

Third Call - 1st July to 16th August 2013

The
aim of BIG
Scheme is to provide
support to entrepreneurs
to establish and validate
proof of concept and
enable creation of
spin-offs

BIRAC through C-CAMP invites proposals under BIG scheme to encourage and support Biotech Entrepreneurs

Biotechnology Industry Research Assistance Council (BIRAC), a Section 25 'Not-for-Profit Company' of Government of India, is DBT's interface agency to serve emerging biotech companies. BIRAC through BIG Partners such as C-CAMP is calling for the second round of proposals for the Biotechnology Ignition Grant (BIG) scheme. This scheme is designed to stimulate validation of research discoveries by providing very early stage grants for the development and maturation of those discoveries.

C-CAMP: A BIG Partner

C-CAMP has been chosen as one of the three BIG Partner organizations (apart from IKP Knowledge Park, Hyderabad and Foundation for Innovation and Technology Transfer (FITT), New Delhi). C-CAMP has been chosen as it has the necessary scientific infrastructure, expertise and high-end platform technology access to nurture early stage inventions through Proof of Concept stage. Till date, C-CAMP has been providing high-end technology services and training to academia and industry across several technology platforms. To know more about our technology platforms, please click here visit:
