CEFIPRA Targeted Collaborative Research Programme between DST-ANR, 2014

Joint Call for proposals

Under CEFIPRA Targeted programme, Department of Science and Technology (DST), Government of India and Agence Nationale de la Recherche (ANR), Government of France launched second joint call for collaborative research proposals for the year 2014. Aim of the programme is to foster the Indo-French Collaboration in scientific research and fund joint projects implemented by teams from both the countries.

In India, on behalf of the Department of Science and Technology, CEFIPRA (Indo-French Centre for Promotion of Advanced Research) invites pre-proposals from the Indian scientists/researchers under the targeted programme.

For this call, selected research domains are:

- (a) Neurosciences
- (b) Engineering Sciences (sub-areas: Material Science, Chemistry, Intelligent Transport System and Energy)

For details, please visit: www.cefipra.org

The closing date of the call: **23 October 2013**
