

EXPLORE THE FUTURE OF KNOWLEDGE COLLABORATION BUSINESS INNOVATION

Theme: Nano Horizons | December 4 - 6, 2013 | The Lalit Ashok, Bangalore

6th Bangalore INDIA NANO, the flagship event in the Nanotech sector is structured under the mentorship of Vision Group on Nanotechnology led by **Prof. CNR Rao**, FRS, National Research Professor, Linus Pauling Research Professor and Honorary President, JNCASR and guidance of Conference Executive Committee chaired by Prof. A.K. Sood, IISc.

PROGRAMME AT A GLANCE

Pre-Conference Tutorials - Wed, 4th Dec	Day 1 - Thu, 5th Dec	Day 2 - Fri, 6th Dec	
Combined Tutorial on Nano Fabrication Technologies - I & II	Inauguration of Event, Exhibition & Poster	Keynote Lectures	
	Distinguished Lecture	Nano for the Young Programme	Research Industry Collaboration Hub (RICH) Presentations
TUTORIAL A Translational Nano Medicine - I & II	National Lecture Series		
TUTORIAL B Nanotech Applications in Sensors - I & II	Keynote Lectures	Food & Agriculture	Healthcare
	Business Opportunities in Nanotechnology	Energy & Water Management	Advanced Materials
	Awards Function & Networking Reception		

Distinguished Lecture by Nobel Laureate

Prof. Andre Geim, FRS Kt, Regius Professor, Langworthy Professor & Royal Society Research Professor, School of Physics & Astronomy, University of Manchester, UK.

Some of the Leading Speakers

Dr. Amit K. Dinda, AIIMS | **Dr. Arun Sikder**, Bruker Nano Surfaces | **Prof. Ashutosh Sharma**, IIT Kanpur | **Dr. Ashwini Kumar Agrawal**, IIT Delhi | **Prof. Mercouri Kanatzidis**, Northwestern University, USA | **Prof. Niyazi Serdar Sariciftci**, Johannes Kepler University Linz, Austria | **Dr. Pavan Kumar**, IISER Pune | **Dr. Rahul R. Nair**, University of Manchester, UK | **Dr. Rainer Müller**, Germany Trade & Invest | **Dr. Reiner Dietsch**, AXO DRESDEN, Germany | **Prof. Reshef Tenne**, Weizmann Institute of Science, Israel | **Dr. Shantikumar Nair**, Amrita Institute of Medical Sciences, Kochi | **Prof. Subbu S. Venkatraman**, Nanyang Technological University, Singapore | **Dr. Thomas Thundat**, University of Alberta, Canada | **Prof. V. Ramgopal Rao**, IITBombay

Bangalore INDIA NANO Innovation Award

This Prestigious Award recognizes Organisations / Individuals who have Nanotech Innovations that bring in path-breaking changes in Nanotech Sectors such as Medicine, Electronics, Materials, Agriculture & Biotech, Energy & Environment.

Calling Nominations for the Award!

Send your entrees NOW to enquiry@bangaloreindianano.in

Research Industry Collaboration Hub (RICH)

RICH is an excellent platform developed for the benefit of Emerging Entrepreneurs / Start-Ups offering them an opportunity to make an oral presentation on innovative technologies with commercial viability to Industry Leaders, Potential Investors for commercialization or a R&D Lab for further development. **Register to present your ideas!**
