Director, ARI

Raman Research Institute Bangalore 560 080

The Raman Research Institute is a premier research institute engaged in research in basic sciences, funded by the Government of India.

The Institute is inviting applications for the position of 'Executive Assistant to the Director'. The primary role of the Executive Assistant is to manage the office of the Director and play a supportive role by smoothing the way for the Director in his role as Chief Executive and Academic Officer of the Institute, his governance of academic matters and academic activities of the Institute, and in his general supervision over the programmes and research projects of the Institute. The Executive Assistant would also assist the Director in formulating communications of the research of the Institute to external agencies. The Executive Assistant reports to the Director. For more information please visit 'other openings' on our website: www.rri.res.in

The last date for receipt of applications is **30 November 2013**.
