

**DST Sponsored National Workshop on
Confocal and Live Imaging Microscopy
Conducted by
Advanced Instrumentation Research Facility (AIRF)
Jawaharlal Nehru University, Delhi, India
25–27 November 2013**

Applications are invited from Assistant Professor/Young scientist for '**Workshop on Confocal and Live Imaging Microscopy**'. This workshop is aimed at training and capacity building of research in advanced techniques in confocal and live imaging microscopy. The workshop includes a series of lectures by eminent scientist/company application specialist followed by the demonstration session. Seats are limited (20) and the participant will be selected by the organizing committee. First class AC train fare will be given to all participants.

Who can apply: Assistant Professor/Lecturer/Scientists working in Central and State Universities, Government Research Institutes/laboratories. Ph.D. in relevant biological field. Applicants should be actively engaged in research. Curriculum vitae and one page write-up on the research background and interest, and how this workshop will benefit your research should be attached.

Last date for receiving applications: **10 November 2013**

Coordinator: Prof. R. Madhubala
