

## **DST-sponsored Specialized Training Programme on Fission Track Thermochronology**

Department of Science and Technology, Government of India sponsored specialized training programme on Fission Track Thermochronology and its application will be organized between **10 and 16 February 2014** with the major objective to impart basic knowledge of Fission track dating and its application to the young researchers/scientists. Application from the interested candidates below the age of 35 years along with a CV with the endorsement of the department/institute/organization should be reached to **Prof. R. C. Patel**, Department of Geophysics, Kurukshetra University, Kurukshetra 136 119, Haryana (Ph. 094167 34196, e-mail: patelramesh\_chandra@rediffmail.com) on or before **10 January 2014**. Preference will be given to the research scholars, young scientists/faculty.

Application can be downloaded from website: [www.kuk.a.c.in](http://www.kuk.a.c.in)

### **College of Engineering, Pune** (An Autonomous Institute of Govt of Maharashtra) **Shivajinagar, Pune 411 005**

Ph: (020) 2550 7009, Fax: (020) 2550 7299, [www.coep.org.in](http://www.coep.org.in)

### **Recruitment for JRF**

Applications are invited from the eligible and interested candidate for one post of Junior Research Fellow (JRF) purely on temporary basis on project sponsored by BRNS titled '**Synthesis of high temperature thermoelectric material by mechanical alloying**'. Principal Investigator: Dr N. B. Dhokey (e-mail: [nbd.meta@coep.ac.in](mailto:nbd.meta@coep.ac.in)). Qualification and other details are available on website [www.coep.org.in](http://www.coep.org.in). The application may be addressed **within 15 days** from the date of advertisement to **The HoD**, Department of Metallurgical Engineering, College of Engineering, Shivajinagar, Pune 411 005.

Dean (R and D)
