Sub : **INSPIRE FACULTY AWARD**

SINP invites applications from successful candidates who have obtained INSPIRE Faculty Award from DST, Govt. of India, for choosing SINP as the host institute. Candidates for these temporary positions should have outstanding academic records and research achievements. At present, major research activities of the Institute are in the following broad areas : Atomic, Nuclear and Plasma Physics, Condensed Matter & Surface Physics, High Energy Physics, Theoretical & Mathematical Physics and Biophysical Sciences. SINP is an autonomous organization funded by the Department of Atomic Energy of Government of India to carry out basic research in the above broad areas. SINP has excellent state-of-the-art in-house facilities and SINP faculty members participate in big collaborations around the world pursuing research in fundamental physics. We seek applicants, who will complement and extend our current research activities. Prospective applicants should also have interest in graduate teaching. This is a rolling advertisement and applications may be submitted anytime of the year by e-mail (inspire.sinp@saha.ac.in) with details like cover letter, resume giving entire list of publications, contact details of 3 (three) referees and a copy of the original research proposal submitted by the candidate to the DST. Applications will go through an internal selection procedure conducted by SINP during which the applicant may be required to give an open seminar and/or appear for an interaction session with our faculty members. As per DST guidelines, candidates who are not from the parent institute are encouraged to apply/preferred. Candidates with at least 2 years of independent research experience after obtaining their Ph. Ds will be given preference. SINP will provide only research infra-structural support to the candidate, all financial support will be borne by the terms and conditions of the fellowship.
