

राष्ट्रीय पशु जैव प्रौद्योगिकी संस्थान
National Institute of Animal Biotechnology

NIAB, an autonomous Institute under the aegis of Department of Biotechnology, Government of India, is aimed to harness novel and emerging biotechnologies and create knowledge in the cutting edge areas for improving animal health and productivity. The Institute's research focus is animal genetics and genomics, transgenic technology, reproductive technology, infectious diseases, nutritional enrichment and bioinformatics. The Institute aims at translational research leading to genetic enhancement of Indian Livestock species and development of novel vaccines, diagnostics and improved therapeutic molecules for farm animals. The Institute plans to promote bio entrepreneurship by providing supportive and stimulating academic and creative environment for commercial tenants involved in the development of farm animal based products and services.

NIAB is looking for distinguished scientists and visionary academic leaders with outstanding record of research accomplishments to establish strong centres of research to address the problems of livestock. Effective interpersonal and leadership skills and the ability and commitment to work effectively with colleagues as part of inter-disciplinary team are required. NIAB offers excellent resources to support new faculty, including lab space, active faculty mentoring, core facilities and ideal research environment. Currently, NIAB invites applications from Indian citizens for the following scientific positions.

Name of the post	No. of vacancies	Pay band and Grade pay
Scientist-G	01	Rs 37,400–67,000 + 10,000
Scientist-F	02	Rs 37,400–67,000 + 8,900
Scientist-E	02	Rs 37,400–67,000 + 8,700

Date of commencement of online applications : **17 February 2014**
Last date for submitting online applications : **14 March 2014**
Last date for receipt of printout of online applications : **28 March 2014**
