

Indian National Academy of Engineering

Indian National Academy of Engineering (INAE) is an autonomous institution partly supported by Department of Science & Technology, Government of India to encourage and promote the pursuit of excellence in the field of 'Engineering'. It comprises India's most distinguished engineers, engineer-scientists and technologists covering the entire spectrum of engineering disciplines. Nominations for the following Awards/Scheme are invited in the stipulated format available on INAE website www.inae.in

1. INAE Young Engineer Award 2014. Young engineers from Academia, Government, R&D Laboratories, Industry and Defence Services who are below the age of 35 years as on 1 January 2014 are eligible for nomination. The criteria for the award is Engineering research, excellence in engineering design, technology development and technology transfer which has been carried out in India. The sponsor must be a Fellow of INAE or Head of the organization/institution where the nominee is working. The award shall consist of a citation and Rs 1 Lakh in cash. The last date of receipt of nominations is **31 May 2014**.

2. Innovative Student Projects Award 2014. Nominations are invited from Deans/Head of engineering institutions for projects/theses at Bachelor's, Master's and Doctoral levels for assessing their innovative potential and intrinsic merit. One nomination for best projects/theses in each of major engineering disciplines, at each level for B.E./B.Tech. projects completed up to 30 June during the academic year 2013–14; M.E./M.Tech. theses examined up to 30 June 2014 and Ph.D. theses examined and accepted/recommended for Award up to 31 May 2014, may be nominated by an engineering institution for consideration for the award. The award in each of the three categories will consist of a certificate and Rs 10,000. The last date of receipt of nominations is **7 July 2014**.

3. AICTE–INAE Distinguished Visiting Professorship Scheme. In order to enhance Academia–Industry interaction, INAE jointly with AICTE launched a Distinguished Visiting Professorship (DVP) Scheme during the year 1999. The Scheme envisages promotion of industry–institute interaction by facilitating the dissemination of knowledge through the expertise of experienced persons from industry to integrate their rich industrial experience with technical education. Nominations are invited from the Industry and R&D Labs. The Distinguished Visiting Professor will be reimbursed air fare to the Engineering Institutions and an honorarium of Rs 3000 per lecture day. The last date of receipt of nominations is **30 April 2014**.

Call for Papers

IX Annual Conference: 6–8 October 2014
Co-organizer: Indian National Academy of Engineering (INAE)

Conference Theme: 'Technology: Corporate and Social Dimensions'
Host Institution: National Institute of Advanced Studies (NIAS), Bangalore

Under this overall theme the following issues would be discussed:

- Technology and Public Policy
- Technology and Livelihood
- Collaborations

Focus will be on FDI; R&D; Collaborations – University–Industry, and Public–Private Partnership; Social Dimensions.

Conference format: The conference will have an introductory session followed by Competitive Sessions, Case Studies and Ph.D. Research Workshops.

Last date for submission of title of papers and abstracts: **30 May 2014**

Last date for full paper submission: **30 July 2014**

Send the abstracts and paper to: fgksindia@gmail.com

For details refer to <http://fgks.in/event/index.htm>
