DAE Science Research Council Awards

A challenging opportunity to young scientists and engineers, who have proven track record in their respective field, to satiate their innovative ideas and pursue advanced research in an accelerated pace.

Applications are invited from these scholars for the '**DAE-Science Research Council Outstanding Investigators**' (DAE-SRC-OI) Awards for the year 2014.

The award includes a research grant of up to Rs one crore spread over a period of five years which shall be used for the sole purpose of pursuing the research project submitted. The Award is tenable only for a maximum period of five years.

Eligibility: Individual scientists/engineers of the DAE constituent units, as well as those outside DAE, working in public funded institutions are eligible to apply for these awards. The applicants are expected to have demonstrated a high level of competence. The applicant should be below 47 years as on 31 December 2013.

Besides research grant, the awardees will be given an incentive of Rs 25,000 per month for five years in addition to the salary that they draw from their employer. In case the awardees are availing any other incentive from other agencies, they must choose only one.

A brief-write up covering the expertise and research contribution of the applicant, list of journal publications and a research proposal in the format enclosed, duly approved by the Head of the Institution, may be reached to the office of the DAE-SRC at the address given below:

The Under Secretary, Nuclear Controls and Planning Wing, Department of Atomic Energy, OYC Building, CSM Marg, Mumbai 400 001.

Last date for the receipt of application at DAE is **30 April 2014**. For full details, applicants are advised to visit DAE website. This advertisement is also available on the DAE website: **http://www.dae.gov.in**
