

Madhya Pradesh Council of Science and Technology

Advt. No. 01/MPCST/R&D/SJF/2014

Announcement for Silver Jubilee Fellowship

Madhya Pradesh Council of Science and Technology (MPCST), Department of S&T, Govt of M.P. has initiated a scheme 'Silver Jubilee Fellowship'. Under this scheme selected brilliant scientists/researchers/academicians, with proven track record, are provided special assistance and support to enable them to pursue fundamental research in priority areas of science and technology and to utilize their expertise in socio-economic development of Madhya Pradesh. The fellowships are fellow specific and not institution specific and have full academic freedom with well-defined objectives and deliverables as identified by MPCST.

The duration of the fellowship will be initially for three years and may be extended for additional one year. The value of Fellowship will be Rs 50,000 per month in addition to regular income and there will be provision of Rs 5.00 lakh per annum for contingent expenditure. The nominations are invited for following Silver Jubilee Fellowship:

1. **Prof. P. C. Ray Fellow** – For research work targeted towards the development/linkage of Science and Technology inputs and efforts for the promotion of indigenous entrepreneurship and employment.
2. **Sir C. V. Raman Fellow** – For popularization and communication of Science and Technology among mass including innovative S&T communication technology.
3. **Dr Vikram Sarabhai Fellow** – For research work targeted towards exploration, management and conservation of natural resources with the use of Science and Technology.
4. **Dr R. L. Richharia Fellow** – For research work in the areas of organic/traditional agriculture and biodiversity conservation in Madhya Pradesh.

The interested candidates may approach eminent scientist/academician/institutions for forwarding their nominations. All the nominations along with complete application form and supporting documents should be sent to **The Director General**, M.P. Council of Science & Technology, Vigyan Bhawan, Nehru Nagar, Bhopal 462 003 on or before **31 July 2014**. For details please visit Council's website www.mpcost.nic.in

Executive Director

Divecha Center for Climate Change Indian Institute of Science

Divecha Center for Climate Change (<http://www.dccc.iisc.ernet.in/>), Indian Institute of Science, Bangalore invites applications for Post-Doctoral Fellows (two number) to carry out high quality research in the broad areas of Hydrology and Water Resources.

The applicant should have preferably obtained the Ph.D. degree in related areas at the time of application. However, those who have submitted the Ph.D. thesis and are expecting to obtain the Ph.D. degree within the next about six months may also apply. Applicants with post-doctoral research experience in related areas will be preferred. A basic degree in Engineering is desirable.

The fellowship is normally Rs 30,000 per month, but candidates with exceptional credentials may be considered for higher fellowship of up to a maximum of Rs 50,000 per month. On-campus accommodation is generally not available for the post-doctoral fellows. The fellowship is initially for a period of one year and is extendable depending on the performance of the candidate.

Interested candidates may send their detailed CV including details of education, relevant experience and list of publications, by e-mail to: **Prof. P. P. Mujumdar**, e-mail: pradeep@civil.iisc.ernet.in; ppmujumdar@gmail.com.

Last date for receipt of applications: **15 July 2014**.
