Department of Biotechnology
Govt of India

Junior Research Fellow in DBT Project

Applications are invited from suitably qualified, dynamic, result oriented and dedicated candidates for the position of DBT-JRF to work in the DBT-RGYI (Rapid Grant for Young Investigators) – sponsored project entitled, '**Optimization of Membrane Immobilized Nanoparticles for Textile Dye Color Removal**' for a period of 3 years.

Qualification: M.Tech. (or) M.Sc. in Chemical Engineering/Biotechnology/Environmental Engineering/Environmental Sciences/Microbiology/Biochemistry.

Desirable: Candidates with knowledge in Environmental Science and Chemical Engineering are preferable. Candidate with NET-CSIR/DBT-BET/GATE are preferred.

Emolument/fellowship: Rs 16,000 + 10% HRA (for 1st and 2nd year), Rs 18,000 + 10% HRA (for 3rd year).

The project fellow position is purely temporary and co-terminus with the project. However the appointed candidate will be encouraged to enroll for Ph.D. programme in Biotechnology, under the supervision of **The Principle Investigator** of the project as per the Karunya University norms. The Karunya University authority reserves the right to relax the qualifications/eligibility for the JRF position. Short-listed candidates will be called for an interview. Call for interview will be communicated by e-mail only. No TA/DA will be paid to the candidates appearing for the interview.

The desirous candidates are required to apply with their detailed CV (qualification, experience, age, e-mail ID, contact number, etc.) as e-mail to kalidass@karunya.edu (or) kallidass@gmail.com. The hard copy of application with full details and the CV should reach the undersigned on or before **20 August 2014** positively.

The communication of date of interview (tentatively 28th August) for short-listed candidates will be informed through e-mail/telephone. Candidates may also confirm after last date mentioned in the advertisement with the following contact: **Dr S. Kalidass**, Principle Investigator – DBT-RGYI, Associate Professor, Dept of Biotechnology, School of Biotechnology and Health Sciences, Karunya University, Coimbatore 641 114.
