

Indo-German Bilateral Workshops/Conferences/Symposia IGSTC Workshop Call 2014

Submission deadline – 10 November 2014

The Indo-German Science and Technology Centre (IGSTC) invites proposal for organizing Indo-German workshop/conference on areas of mutual interest with an aim towards creating platform for substantive interaction between scientists/researchers from academia and industry. The workshop has to take place in India or in Germany and to be designed around a specific research topic of mutual interest (out of chosen thematic areas listed below) with a high potential for generating follow up activities including joint projects of industrial relevance.

Thematic areas

1: New Materials for Energy Efficiency

- Nano-structures for energy application in buildings, transport
- Materials for fuel cells/solar cells
- Materials for renewable energy conversion
- Electrochemical energy storage: batteries and super capacitors
- Increased energy efficiency and emission reduction in thermal power plants

2: Water and Wastewater Technologies

- Technologies for drinking water purification
- Online/remote water quality monitoring technology
- Waste-water treatment technologies for reuse and recycle (urban/industrial/agricultural sectors)
- Sensor technologies for water/wastewater treatment

Who can apply?

Applicants (holding a regular position) from research organizations, state and non-state institutions of higher education, universities and non-university research institutions are eligible to submit applications.

Type and extent of support

Funding support will be made available towards international and domestic airfare for speakers, accommodation and event costs (typically not more than 25–30 participants).

Guidelines

1. Proposal (maximum 16 pages including CVs) should be submitted in the prescribed format (visit www.igstc.org).
2. Proposal to be submitted electronically as a single word document to both (**Dr P. V. Lalitha**, IGSTC, e-mail: lalitha@igstc.org and **Dr Martin Goller**, German Aerospace Center, European and International Cooperation, e-mail: martin.goller@dlr.de) latest by **10 November 2014**.
