Regional Conference of Young Scientists on Nanoscience and Nanomaterials

18–20 February 2015, Bangalore

A Meeting of Young Scientists in Central and South Asian Region

This meeting provides a forum for young scientists pursuing research in many respective areas of nanoscience and nanomaterials. The general topics addressed in the meeting will include concepts of nanoscience, recent advances in nanomaterials and nanoscience, industrial applications of nanomaterials. The format of this meeting will be thematic lectures by experts in the areas followed by extensive poster sessions both in the morning and afternoon, and discussions. The meeting also includes a few laboratory visits.

The participants will be **Young Scientists below the age of 35 as of January 2015.**

Registration

Application should include poster presentation, abstract and registration form (duly filled in the proformae).

Applications

Participants should send their brief bio-data (including educational qualifications and a list of research publications). This should be forwarded by a TWAS fellow in the Region or the Head of institution/university/department.

Last date of submission

By electronic mail on or before **1 December 2014.**

Travel support

Selected candidates will be provided with travel support to enable them to participate in this Meeting.

Dates and venues of the meeting

18–20 February 2015, at the Jawaharlal Nehru Centre for Advanced Scientific Research, Jakkur Campus, Bangalore, India.
