SIDDAGANGA INSTITUTE OF TECHNOLOGY, TUMAKURU

(An Autonomous Institute Affiliated to Yvesveera University, Recognised by AICTE and Accredited by NBA, New Delhi)

SIT has incubated a Center of Excellence (CoE) in nanotechnology within its Center of Applied Research and nano-Technology (Center of ART). At this Center of ART, eleven faculty and staff members with a combined academic, research, and industry experience of over 150 years are now spearheading the R&D and academic programs in nano-electronics, nano-materals, and nano-medicines. Its vision, mission, and other details can be found at http://www.sit.ac.in/nano.

SIT is seeking outstanding research students and faculty to be part of this Center. Recent M. Tech., M.E., or M.Sc. graduates with both experimental and theoretical expertise in engineering, applied sciences, or nanotechnology are being sought as research students enrolled in the Center's PhD degree program. Persons with earned PhDs in electrical, mechanical, civil, chemical, or biotechnology engineering streams—especially with advanced laboratory or industry experience—are being sought as post-doctoral research fellows or faculty at various levels. Specifically, applications are invited for the following positions:

- PhD research student
- Post-doctoral research fellow
- Associate Professor
- Professor

Initial appointments for faculty positions will be for two years, subject to renewal based on contract funding. Salary and benefits will be commensurate based on experience, expertise, and potential. Qualifications, requirements, and application process for the above positions are given at http://www.sit.ac.in/nano/nano_careers.html. Applicants should meet all of the stipulated minimum qualifications, requirements, and application process. Incomplete applications with insufficient supporting documents will not be considered.

Review of the applications will commence on 15/08/2015 and will continue until all the positions are filled.

HOW TO APPLY

Applications with relevant supporting documents in pdf and in one compressed file should be emailed to Search Committee Chair, Center of Applied Research and Nano-Technology, Siddaganga Institute of Technology, B. H. Road, Tumakuru 572103 at bharata@yahoo.com.
