

To nurture future innovators and thought leaders, the Science & Engineering Board (SERB),

Department of Science and Technology (DST),

Govt. of India, the Indo-U.S. Science and

Technology Forum (IUSSTF) and WINStep Forward have partnered to support a dynamic and transformative student exchange program between premier institutions in India and the United States.

The program is named in honor of Satyendra Nath Bose (1894 - 1974), a visionary Indian physicist best known for his work on quantum mechanics in the early 1920s. The class of particles that obey Bose-Einstein statistics, Bosons, was named after him.

ELIGIBILITY:

- Indian citizens currently pursuing a Bachelors or Masters' degree at a recognized institution of higher education and learning in India.
- Open to students of Atmospheric and Earth Sciences;
 Chemical Sciences; Engineering Sciences; Mathematical and Computational Sciences; and, Physical Sciences.

SCHOLARSHIP INCLUDES:

- Stipend
- Health Insurance
- Air-fare

THE PROGRAM IS ENVISAGED TO:

- provide an opportunity to Indian students to experience world-class research facilities in leading U.S. institutions;
- encourage and motivate students to take up research as a career;
 - pave the way for the next generation of pioneers and innovators in science and technology to interact with each other, and;
- build long-term R&D linkages and collaborations cutting across boundaries around the globe.
