**A unique opportunity for research career in Science and Technology in the area of Drugs, Pharmaceuticals and Biomedical Research**

CSIR-Central Drug Research Institute, Lucknow, a premier institute under the Council of Scientific and Industrial Research (CSIR), is involved in multidisciplinary R&D programmes of both basic and applied nature. CSIR-CDRI is a pioneer biomedical research organization in India and has the infrastructure and expertise to develop a drug right from the concept stage to the commercialization. In the year 2012, Institute shifted to its state-of-the-art new campus, which has been set up with a vision to serve as a nodal centre of the CSIR in new drug discovery and development. Spread across ~61 acres of land, it houses R&D Complex, Support Services, Guest House, Hostel and Staff Quarters. For further details about the Institute, please visit our website <http://www.cdriindia.org>

With an aim to expand and strengthen the areas of Parasite Biology, Life Style Diseases, Medicinal and Natural Product Chemistry, and Safety and Clinical Development, the Institute is looking for enthusiastic, talented young researchers/professionals with brilliant academic record, proven scientific achievements and zeal to conduct biomedical research as per the mandate of the Institute.

Applications are invited from young Indian Nationals having excellent academic record along with requisite qualification and experience and a high degree of motivation for filling up the following Scientific Positions. The emoluments and age limit for various posts as per norms are summarized as under:
