

Science Academies' Refresher Course in Experimental Physics 5–20 July 2016

Sponsored by
Indian Academy of Sciences, Bengaluru
Indian National Science Academy, New Delhi
The National Academy of Sciences, India, Allahabad

In collaboration with
Department of Physics, Thiagarajar College of Engineering, Madurai

A Refresher Course in Experimental Physics will be held in the Department of Physics, Thiagarajar College of Engineering, Madurai, from 5 to 20 July 2016 for the benefit of faculty involved in teaching undergraduate and postgraduate courses. Participants in this course will gain hands on experience with about 25 experiments designed by Professor R. Srinivasan, the Course Director, Indian Academy of Sciences.

Professor R. Srinivasan has conducted this Refresher Course in Experimental Physics in 75 institutions so far including universities, autonomous colleges, and advanced scientific institutions involved in education. The Course will enable the participants, through lectures and laboratory sessions, to enhance their skills in experimental physics and facilitate them to introduce the experiments in their respective curricula. UGC has approved two-week Refresher Courses of good standing for promotion, vide notification – F3-1/2009 dated 30 June 2010.

Applications are invited from teachers with experience in teaching undergraduate and postgraduate courses in Physics and Engineering (Mech., Civil, EEE and ECE). B.Sc. and M.Sc. Physics students with keen interest in Experimental Physics are encouraged to apply. The number of seats will not exceed 34. Selected participants will be provided with round-trip bus/train (III AC) fare by the shortest route and local hospitality during the course in addition to course material.

Interested applicants must submit their application ONLINE by clicking on the following link:
